

## Adderbury Neighbourhood Plan

An issue I would like to raise in respect of the ANP is backland & tandem development. (Infill is mentioned)

Comment on objectives 5.2 page 16 under the first bullet point; please insert 'However, such infill excludes backland and tandem development which will not be supported'

In respect of the preservation of the conservation area – The Manors, AD8 page 25, I suggest the following further statement be added to the text "*backland and tandem development will not be permitted as this will have a detrimental effect on the pastoral landscape*".
