Dear Sunita

## **Adderbury Neighbourhood Plan**

After the Submission stage consultation (12<sup>th</sup> October – 23<sup>rd</sup> November 2017), members of the Adderbury Parish Council (APC) and the Adderbury Neighbourhood Plan (ANP) team met with you and other Cherwell District Council (CDC) Policy officers on 7<sup>th</sup> December 2017, when a number of issues which had arisen during the Submission stage consultation were discussed.

Following your advice at this discussion APC and the ANP team have produced a Schedule of suggested Minor Amendments to the Adderbury Neighbourhood Plan to address the issues raised by CDC.

The amendments are set out in table form, which is attached, and also APC/ANP has included maps for further clarity to illustrate the position of any suggested amended items, where relevant.

APC has focused on the comments made by the Cherwell District Council officers, together with those of Oxfordshire County Council. Some other representations have also been considered, particularly where comments were different from CDC's. Where responses had been dealt with under the CDC focus, APC did not refer to them separately, for example some developers with reference to AD1 and AD5.

The Parish Council requests that you will pass the Schedule of suggested Minor Amendments to the Examiner, together with the illustrative maps, and all the other documentation.

Thank you for your advice in this matter.

Yours sincerely

Theresa Goss  
Clerk and Responsible Financial Officer to Adderbury Parish Council
